

2018 WJM North American Championships

Charter Boat Information

Several PYC members who are not competing in the WJM regatta have offered to charter their Lightnings to travelling teams. PYC will not be directly involved in any chartering arrangements; those arrangements will be made directly between the boat owner and the charterer. If you are interested in chartering a Lightning, please contact:

Bill Ziegler

williamjziegler@gmail.com

Bill has the list of boats available and can direct you accordingly.
